*Founded on October 15th, 1979 by: Arthur Goble, Fred W. Westbrook, John Snook, Roy Bischoff & Lewis Quince*

The July 14th meeting was held at the shed with 31 members attending. Blace **“was”** in attendance and it was nice to see him back at the helm. AnneMarie read the treasurers report, several expenditures were voted on and accepted and again, there was a brief discussion on “costs” attached to the upcoming State Fair, raffle permits needed, etc.

The State Fair Committee is redoing the Richards Building and are looking for financial assistance from the club...and others using Fairground facilities. The members voted, and it was approved, to give them \$500.00 per year for the next five years.

Again, we will be creating a **daily roster** covering **each and every day** of the fair...and need members to sign up.

Per Blace, we will be purchasing additional hats to sell at the FAIR.

John Regan, Chuck Klim and Clayton Squires are continuing with the 2nd hay wagon project.

The Thursday night **6:30 work meetings** are well underway and the shed is starting to shape-up for the Fair. We have two more Thursdays before the Fair begins.

Mary thanked Bob Eckes for his work in getting the Sparta Parade organized...hopefully everyone is aware of the Veteran's float that has been used in both the Branchville and Sparta parades and will be on display at the Fair.
