HAPPY NEW YEAR!

The December 9th meeting was held at the Administration Building

Chuck Klim called the meeting to order, which was followed by the flag salute. Melanie Kardos, pinch hitting for Mary Hendershot, read off the minutes from last month's meeting. Linda Klim gave the Treasurer's report.

Old Business:

Due to the rising COVID-19 problems in NJ, Chuck Klim asked for a show of hands on whether or not to go forward with the December 15th Christmas Party...all hands went up and the vote was 100% YES!

Chuck also mentioned that Benny Jorritsma expressed that he was quite pleased with the way his field turned out after the November 14th Ideal Farms Plow Day.

New Business:

Linda Klim reported on the recertification of the Club as a 501C-3 Non-Profit Corporation with the State of NJ. The cost to date, including filing fees, dues etc., was \$1,096.00. Also: Linda mentioned we should be using INC with the company name, particularly on official documents. The only other outstanding bill was for this month's newsletter, which was approved by the members and was paid at this meeting.

Chuck mentioned we are looking for a NEW insurance company as Selective Risks has a problem with insuring the "many" items we have in the shed. The value of the articles in the shed developed into a minor group discussion. Andy Mackey thought we might want to see who The Blue Mountain (JACKTOWN) Association uses...this will be an ongoing discussion topic.

Chuck brought up winter meetings as a further discussion topic and, as we did last year, there will be no meeting in January and February...our next meeting will be in March 2022. The newsletter will continue thru the winter. Also, there was some talk of possibly changing the monthly meeting night to Tuesday, when we return to the shed. At this point it is only talk and a discussion topic.

Motion to adjourn the meeting was approved by Blace Flatt and seconded by Brian Kardos.

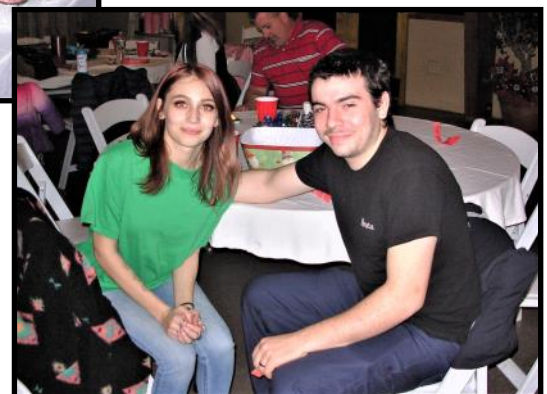

No meeting in JANUARY or FEBRUARY 2022

Our next meeting will be in March of 2022!

2021 Christmas Party Wednesday December 15th

As always, a fun event with members enjoying time with family and friends and enjoying the club camaraderie. The food was plentiful and tasty, and included our usual "agita-event" of Blace showing up slightly late with the turkey...kidding! We would like to thank Melanie Kardos for coordinating the event, Debbie Muys and Linda Klim for providing and arranging the décor, Linda again for providing and in some cases making some of the grab-bag items, and ...the other members, who contributed food and helped with the set-up and clean-up.

Baylee Kardos was this years MC for the annual Grab-Bag & Christmas Present Exchange!
