Vice President Paul Havens brought the meeting to order with 17 members attending and all stood to recite the Pledge of Allegiance!

Secretary Mary Muys read off last months minutes. She also reported that the NJ State Raffle ticket applications are in the hands of Frankford Township and the order process is in-the-works.

Treasurer Dave Betts read off the bills for the month. Dave is still waiting to hear back on our status from the IRS. As of June we have 61 paid members and a new member joined tonight.

Committees updates: Mary Muys and Paulette Hendershot gave an update on the sale-shirts for the FAIR and they will add some hats to the order. Mary will have a quote for our next meeting. We have the *Sparta 4<sup>th</sup> of July Parade* coming up. The parade starts at 11 a.m. so everyone needs to be in the parking lot at the Sparta loop by 9:30. Paul Havens has been in contact with *Skyland's Ball Park* about displaying tractors on *Sussex County Night*, but due to the "short notice" no one was able to participate. *Lusscroft Farms* is having an event on July 13<sup>th</sup> and Paul Havens will call them to see if they need our participation. During the *NJ State Fair* week, we have (12) presentations by members from our club and Dave Betts handed out the schedule to the attending members. The schedule will be on the Fair's website, the NJ Herald's schedule and the Fair's daily schedule. Paul Havens will contact Kevin Adams about getting access to our Facebook page and contact Steve Boutilette about getting our website up-to-dated, as our mailing address is incorrect. The By-Laws Committee met and made a few changes to some of the wording. Mary Muys passed out copies of the by-laws to everyone, so they can review themselves and they were read out loud. This was the first reading of the new By-Laws.

Paulette Hendershot and Mary Muys brought up the fact that the club will be 40 years old this year and we should celebrate with a cake during the week of the Fair, which...if promoted...may help bring people through our display. We also need a new banner for the building reflecting the anniversary!

Bruce Mitchell mentioned that we should add 2 names on our deceased plaque of members that have passed away. Milt Jager will take care of getting these names added and possibly updating the plaque.
