## **The June 14th meeting was held at the Shed!**

President Chuck Klim called the meeting to order, followed by the flag salute.

Minutes were read from last month's meeting by Sandy Betts.

Treasurer, Linda Klim, reported general account and raffle account balances. Bills to be paid were then reviewed for payment, including Bob Triebel's expenses for the monthly newsletter. Also...last month Chuck Klim was refunded for the raffle ticket expense out of the general account, but the \$ should have been issued from the raffle account. That money will be taken out of the raffle account and deposited back in the general account. The motion for payment and transfer were approved.

### **OLD NEWS:**

Linda is waiting for Skylands Park to call back regarding the Club being a vendor at the Park's games to sell shirts and raffle tickets. We were already told we cannot use advertising carts.

The American Legion Memorial Day/Branchville parade was a well-attended success...see pages 4 and 5 and Plow Day was held at Wesselhof Farms in Lafayette...see pages 2 and 3!

Bob Triebel continues to have computer issues and future newsletter production may have some difficulties.

### **NEW BUSINESS:**

A reminder that the Club has been asked to participate at Skylands Ballpark on Friday June 17th. It was asked that members assemble at 4:30 by the sphere to set up for the parade around the outfield track of the ball field.

Members must sign in on the schedule when working at the State Fair in August. For insurance reasons this is necessary. It was also addressed that more members are needed...in particular for the evening/closing third shift.

The plans for the shed addition were submitted to the Fairgrounds Board on May 19th and approved. Chuck had estimated the cost to be approximately \$9,000.00 for materials only. It was discussed applying for a \$15,000.00 government grant to fund the addition. The club also received permission to remove the tree by the big Oil Field Engine. Brian Kardos is working on arranging for a boom truck to aid in removal.

Sparta July 4<sup>th</sup> parade will assemble at 9:30 at the jug handle to setup. At least one wagon is needed.

Fosterfield's Historic Farm was discussed; exhibits and activities will take place on Saturday, September 10<sup>th</sup>. They will make several acres available for plowing if wanted. They would appreciate a months notice on date and what we plan to displayed.

October 9<sup>th</sup> the Antique Truck Historical Society Show will be held at the Fairgrounds and would be good opportunity for the Club to open the shed to the public and possibly to display some tractors.

Additional tee shirts (70-75) were found with older screening impressions. They will be sold for same price as newer ones, for consistence and ease in selling.

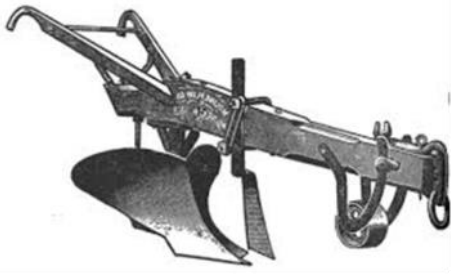

Motion was made by Richard Muys Sr. to adjourn the meeting and 2<sup>nd</sup> by Brian Kardos..

***Our next meeting will be on TUESDAY July 12th at the Shed!***

Is that a tow cable I see?

Memorial Day is a National Holiday, mourning the loss of US Military Members, who died in the service of our county. It is observed annually on the last Monday of May. Prior to 1971, when it became a National Holiday...it was a local (usually statewide) holiday called Declaration Day!
