**The June 13th 2023 NJAE&MC INC. meeting was held at the SHED!**

President, Chuck Klim, called the meeting to order, followed by the Pledge of Allegiance to the flag.

Minutes were read from the last meeting by Sandy Betts,

Treasurer, Linda Klim reported the general bank account balance and raffle account balance. The only bill requiring payment was \$121.90 to Bob Triebel for the club newsletter. The motion to pay was approved.

**The Hardware Store** of Sparta NJ will be taking over the cart advertising formerly used by Campbells Small Engine.

State Fair peanuts were discussed as the price has increased to \$1,500.00. Ways to cover the rising cost were discussed; yard sale being mentioned as one, also trying to sell the raffle tickets earlier. Tickets have been printed by Minisink Press and Minisink also prepared the annual report, to be submitted to the State, for the club. The cost was \$429.00 for 3,000 tickets. The payment motion was approved

Motion for approval of the Treasurer's report was approved by the members attending.

The club now has 59 dues paying members, which includes 4 new members, and 10 additional auxiliary members...a total of 69 members. Appreciation was given to Ron and Vera Heater for donating a display case which we will use in the shed.

The buckboard donated by the Club to the Fair...to be auctioned during the *Boots Bourbon BBQ* fundraiser...did very well, bringing in 1,350.00 for the Fair.

On Saturday, June 24th the Township of Montague will be having the Montague Day event and on Tuesday, July 4<sup>th</sup> Sparta will have their traditional parade; both of which we've been asked to participate in. A photographer is needed for these events and Melanie Kardos has graciously stepped up.

The Club has received the permit to begin building the addition on our shed. A transit or laser, an air gun nailer and 50 feet of plastic fencing will be needed for this project.

Also discussed was creating tutorials on the clubs engines and filming these demonstrations. That way the engine's history will stay accurate and others can learn how they function and how to operate them.

A motion was made to adjourn the meeting by Brian Kardos and seconded by Bill Castlimore.

**July's meeting will be on TUESDAY July 11th at 7PM at the SHED!**

Memorial Day is a National Holiday, mourning the loss of US Military Members, who died in the service of our county. It is observed annually on the last Monday of May.

Prior to 1971, when it became a National Holiday...it was a local (usually statewide) holiday called Declaration Day!

A beautiful day!
