The May 13th meeting was held at the SHED!

President Chuck Klim brought the meeting to order, followed by the flag salute.

Mary Muys read the minutes from the last meeting.

Kevin Hendershot followed with bank account balances, debts and membership status. The club's insurance has been paid up for a half year and the licenses for the raffles have been filed with the town and paid for as well. Motion to pay the bills was made and accepted.

Per Chuck, the Fair Committee would like us to review our insurance policy to make sure we are covered for the items in our shed. Anything that does not belong to us, should have a waiver noting that we are not responsible for any damages, or lost or stolen items. The dates for the STATE FAIR this year are August 7-14th and the tractor pull event has been canceled. We will have a clean-up day at the shed on Saturday, May 21st to get ready for the fair. Chuck mention he would like to have a yard sale of our items in the shed for anything we no longer need, and that money would help offset the cost of the gasoline, spark plugs, etc. for our equipment.

PLow Day was cancelled because Sam Castimore leased out his fields and the farmer had already disced it.

Milt Jager presented the updated *Deceased Member Plaque* to the group.

Kevin Hendershot asked if Kevin Adam or Steve Boutilette could give us permission to administrator Facebook, so we can post our own gatherings, meetings and upcoming events. This will be discussed!

Andy Mackey mentioned the Jacktown Swap meet is coming up on May 15th and 16th. They also will be having their summer show from July 16th-18th.

Bob Triebel mentioned he had a Snap-On Toolbox to sell & would donate the money to the club...no takers.

Mary & Paulette Hendershot will be getting prices on sweatshirts for either the club members and/or to sell during the fair. They will get a price quote and show sample to members before the next meeting.

The motion was made to adjourn the meeting, the motion was seconded and the meeting closed.
