The May 07th, 2024 meeting was held at the Fairgrounds Club shed.

President, Chuck Klim, called the meeting to order, followed by the Pledge of Allegiance to the flag.

The April 9th club meeting minutes were read by secretary, Sandy Betts.

Treasurer, Linda Klim reported the general account balance was \$5,279.03 and raffle account was \$5,501.58. Reimbursements were to Bob Triebel for the April newsletter for \$48.40; Chuck for the Outback toy Case tractor that was \$536.66 and brooms picked up by Chuck last week amounting to \$1,380.00. The broom price went up drastically from two years ago. The hats are not finished yet but should be soon. The Treasurer's report was motioned for approval by Blace Flatt and seconded by Martin Little.

The Branchville Memorial Day parade is on May 27th. The Club is in Group 2 behind the fire trucks and will line up at the Frankford school at 8:30 AM. A committee should be created for wagon maintenance and repair. Both wagons are looking shoddy right now. Stain versus paint was discussed and it was voted paint would be used. Colors were discussed and red or brown was the popular consensus; pricing and type of paint was also discussed. Steve Boutillette volunteered to head-up the project.

Changing the monthly meeting was discussed, Saturday and Sunday were eliminated for meeting purposes. It will remain on the 1st Tuesday until further notice.

The next project to be started is the kitchen. The club would like to have renovations done before the County Fair starts. Chuck will find out if permits are needed for any of the work to be done. First the area must be emptied so measurements and planning can begin.

Another project discussed was the oil field engine. Bill Castimore and two or three other members volunteered to examine the extent of the damage and see if it can be repaired.

A member inquired as to when the stone was going to be delivered to the shed. Chuck remarked he would contact Jack Snook and try to arrange a date, which has been difficult due to the inclement weather.

Plow day, held on Sunday May 5th, had been enjoyable for all who attended; approximately 30 acres were plowed. It was commented that a lot of fuel had been used due to the ground being packed down so hard.

The club shall be selling peanuts at the Montague day event on June 29th. A bag of peanuts will have to be purchased for this event.

Richard Muys, Sr. motioned the meeting be adjourned and James Holleran seconded the motion.
