September 8th 2020 meeting

Note: The meeting was more formal than the August meeting (tables, chairs), but was again held outside of the shed!

Chuck Klim welcomed everyone, brought the meeting to order and all members attending recited the Pledge of Allegiance.

Secretary Mary Muys read off the minutes and notes from last month's meeting.

The treasurer's report was presented by our new treasurer, Kevin Hendershot.

Chuck mentioned that on September 19th the Fair Grounds is having a celebration, due to the new **Rooster 's Day at the Fair** book coming out...and they would like club members to bring their tractors and generally help out. We will be selling peanuts, shirts and hats and doing hay rides around the fair-grounds. The Fair will have other activities going on as well.

A work day is needed to clean up the shed before the Fair event and all agreed to do it on the upcoming Saturday at 10 a.m.

Chuck also announced we will be having a PLOW DAY at *Ideal Farms*, with more details to follow in an email.

Chuck has a Get Well card for everyone to sign for Dave Betts to let him know we are thinking about him. All members attending signed the card.

Chuck adjourned the meeting.

OUR next meeting will be:

Thursday October 8th at the Shed...starting at 7 PM!

Rooster's Family Fun Day at the Fair

September 19th 2020

Hosted by the Sussex County Fairgrounds

This was a FREE community day at the Fairgrounds to celebrate the release of a NEW whimsical children's book, ROOSTER'S DAY AT THE FAIR.

Our 1st sanctioned CLUB EVENT of the year, with a great turn-out of club members and a nice day for all!

Chessa Kardos and her Deere 112 tractor make the inaugural run with the NEW Club Banner!

A
BEAUTIFUL
FALL
DAY

Mary Muys wins the highly prestigious:

**OLIVER QUEEN
FOR A DAY**
award!

Bill Castimore and Andy Mackey fired up the peanut machine and made some sales!

The NJAE&MC's new Banner Cart

A discussion topic at our January 23rd 2020 Monthly Meeting, Dave Betts grabbed the bull by the horn , designed and built a cart, and had a banner made. The thought was to get the clubs name into public view at Parades. The ongoing joke was that we were considered “people who own tractors” and not an actual club. Dave built the cart during February with the 2020 ST. Patty's day parade in March as his objective. Naturally the parade and all other events for 2020 were canceled, Rooster's Family Fun Day gave us an opportunity to unveil it!

We managed to grab a few pictures of Dave and his inspector SCOUT during the build process...Scout was definitely tough and Dave had to rework (3) welds and a wheel mount before she gave her final approval. A key point in the design, the sign is mounted in the center (check out pictures) and will remain level no matter what size tractor or hitch height is used to pull it!

Thank You Dave...and Scout!
