## New Jersey State Fair/Sussex County Farm and Horse Show

This year's FAIR turned out to be very good for the Engine Club, both in member participation and from a financial point of view. Our younger members really stepped up when asked to help with

### Engine Club Princesses

Catherine Jollie...Engine Princesses  
Page Henninghan...Machinery Princess

whatever we needed done and were a lot of fun to have around.

The young ladies did a great job representing the club as the ENGINE CLUB PRINCESSES. And the young men enjoyed driving around the fairgrounds in the various parades.

Our main addition to the club this year was the purchase of our own Peanut Roaster. With the help of a second Roaster provided by Blace, we were finally able to keep up with the demand. Our new roaster will be a real asset to the club for many years to come.

The club would like to thank all the members who put in long hours manning the shop, welcoming visitors and sharing our interest with them in antique equipment. We would also like to thank Kevin Adams for promoting the roving sales of raffle tickets to fair goers. It really increased the number of tickets sold. Also, a thank you to the members who showed up early to get everything ready for the day and the night gang who stayed late to shut it all back down again. We hope everyone had a good time this year. We look forward to seeing our families and friends at next year's fair....Thank you to all!

*Our next meeting will be at 6PM on September 12th at the shed and will be a potluck picnic...hotdogs and hamburgers will be provided by the club, please bring side dishes, deserts and beverages!*
