New Jersey State Fair
Sussex County Farm & Horse Show

We would once again like to thank all members who, in the weeks leading up to the event, put in the extra time and effort to make it all possible...and also those who, during the FAIR, put in long hours manning the shed and shared our interest in antique engines, tractors and equipment with the public!

Our next meeting will be on September 12th (the day before the POT-LUCK-PICNIC) and will be a working meeting as we need to drain down the engines etc...after the State Fair!
