## **The August 5th meeting was held at the SHED w/21 members present!**

President Chuck Klim bought the meeting to order, followed by the flag salute.

Secretary Mary Muys read off the minutes from last months meeting.

Treasurer Kevin Hendershot read off the few bills we had to pay, Bill Castimore made a motion to pay the bills and Dick Muys 2<sup>nd</sup> the motion. Kevin then read off the account balances in both the General account and the Raffle account. There was no change in the balance of the Raffle Account and there were three deposits made to the General Account...one of which was \$200 received from Steve Boutilette for the purchase of a small engine from the club and 2 new memberships.

New Business: Chuck mentioned this year our Christmas Party will be on December 15<sup>th</sup> a Wednesday, as the weekends are booked for the winter months.

We then held an election for the open Vice President position, which has been covered by Blace Flatt and Rich Muys Sr. as temps, since Paul Havens passed earlier this year. Voting ballots were handed out to all the members present and Brian Kardos was nominated and elected our new Vice President with the majority of the votes.

Fair News: This year we purchased 9 sweatshirts to see how they would sell at the fair and a question was put out to all members on how much to charge as we paid \$26 for each. Members agreed to sell them for \$35 dollars. Mary did take orders at our last meeting in July for anyone who would like to order a sweatshirt for themselves. The zipper hooded sweatshirts are \$31 and the pull-over sweatshirts are \$26 to members. Another order will be taken at the next meeting. We purchased a lot more brooms, both medium and small handle and the members were asked how much to charge for these. It was agreed to sell the large and medium brooms for \$15 and to sell the child's broom for \$12. *NOTE: A lot were sold during fair week!*

The raffles will include the American Girl doll, John Deere tractor and the handmade quilt, with the drawing going off on Saturday...the last day of the Fair.

A motion to adjourn the meeting was made by Rich Muys and Andy Mackey 2nd the motion.

**Our next meeting will be on September 9th 2021 at 6PM at the SHED and will include our Pot-Luck Picnic...see Page 6 for details!**

# August 7th thru 14th

*We would once again like to thank all members who, in the weeks leading up to the event, put in the extra time and effort to make it all possible...and also those who, during the FAIR, put in long HOT hours manning the shed and shared our interest in antique engines, tractors and equipment with the public!*

The raffle sales for the John Deere ride-on tractor, hand-made quilt and American Girl doll went well...as did the shirt, hat, broom and sweat shirt sales!

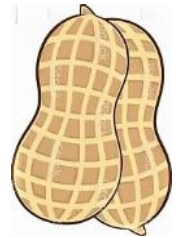

Congratulations too:
