The New Jersey State Fair 2023

August 4th-12th

We would again: like to thank all members who, in the weeks leading up to the event, put in the extra time and effort to make it all possible...and also those who put in long hours manning the shed during the FAIR and sharing our interest in antique engines, tractors and equipment with the public!

A tractor parade a day!

And part-time tractor driver!

The raffle sales for the ride-on tractor, hand-made quilt and American Girl doll went very well...as did the peanut sales, we sold out!
